

# All Cried Out

Fink

You took your time to come back this time  
The grass is growin' under your feet  
And your absence are changed with mine  
Someone else is sitting in your seat

And I know that I said they'll be no one else  
I know that I said I'll be true, yeah  
But baby I've got a cupids arrow and he just shot an arrow  
I've nothing left to offer you

Now all cried out  
Whole lot of lovin' for a hand full of nothing  
All cried out  
It's hard to give you something when you're pushing me, yeah

So don't look surprised, there was no disguise  
You knew where I stood from the start  
So stop look around you, you're right back where I found you  
Take back your cold and empty heart

And all cried out  
Whole lot of lovin' for a hand full of nothing  
All cried out  
It's hard to give you something when you're pushing me, yeah  
Hey baby, hey baby

You go your way I'll go mine  
I won't stay around you, don't you waste my time

All cried out, all cried out  
It's hard to give you something when you're pushing me, yeah  
It's hard to give you something when you're pushing me, yeah
