

# Beloved Enemies

## The Shimmies

You buried me  
Boxed me in  
Put me to sleep  
?wrote? me down  
Squared off and broke my jaw  
You push me underneath the sheets  
Push your tongue between my teeth  
Oooh  
So tell the girls to keep their faces ?grim?  
It keeps the boys from getting into sin  
And give my regards to all of my beloved enemies  
Their grudges deep if Heaven watches over me  
Then tonight I'll pray your soul to keep  
You safe from harm just promise me  
You've given up  
Given up  
Given up on me, on me  
Given up  
You've given up on me  
Given up  
Given up  
You've given up on me  
given up  
given up on me, on me  
Given up  
Given up  
You've given up on me
