

# Crossroads

## Jonell Mosser

I went down to the crossroads  
Fell down on my knees  
I went down to the crossroads  
Fell down on my knees  
Asked the Lord above me  
Save this poor girl if you please  
Down at the crossroads  
Tried to flag a ride  
Down at the crossroads  
Tried to flag a ride  
Hmm,nobody seemed to know me  
Everybody passed me by  
Oh,Im goin' down to Rosedale  
Take you right here by my side  
Oh,Im goin' down to Rosedale  
Take you right here by my side  
You still have a house baby  
Down by the river side  
Oh no no  
Woo hoo  
Oh no Oh no  
Well now run you can run  
Tell my friend boy Billie Brown  
Now run you can run  
Tell my friend boy Billie  
Lord Im down at the crossroads  
I believe Im sinkin down
