# Shimmer

## Shawn Mullins

Sharin' with us what he knows
His shining eyes are big and blue
And all around him water flows
This world to him is new
This world to him is newHe's born to shimmer
He's born to shine
He's born to radiate
He's born to live
He's born to love
But we will teach him how to hate?And this thing we call our time
I heard a brilliant woman say
She said "You know it's crazy
How I want to try and capture mine"
I think, I love this woman's way
I think, I love this woman'sThe way she shimmers
The way she shines
The way she radiates
The way she lives
The way she loves
The way she never hatesSometimes I think of all this facts surrounds me
I know it all as bein' mine
Then she kisses me and she wraps herself around me
And she gives me love
She gives me time, yea yeea ah
I feel fine
Yea yea yeea
Hey yea yea yaa
I feel fineBut time I cannot change
So here's to lookin' back
You know I'd drink a whole bottle of my pride
And my taste to change
To keep these demons off my back
Just get these demons off my back'Cause I want to shimmer
I want to shine
I want to radiate
I want to live
I want to love
I want to try and learn how not to hate
Try not to hateWe're born to shimmer

We're born to shine
We're born to radiate
We're born to live
We're born for love
We're born to never hateHe's born to shimmer
He's born to shine
He's born to radiate
He's born to live
He's born to love
But we'll teach him how to hate
