Painkiller

Judas Priest

Faster than a bullet
Terrifying scream
Enraged and full of anger
He's half man and half machine
Rides the metal monster
Breathing smoke and fire
Closing in with vengeance soaring highHe is the painkiller
This is the painkillerPlanets devastated
Mankind's on its knees
A saviour comes from out the skies
In answer to their pleas
Through boiling clouds of thunder
Blasting bolts of steel
Evils going under deadly wheelsHe is the painkiller
This is the painkillerFaster than a laser bullet
Louder than an atom bomb
Chromium plated boiling metal
Brighter than a thousand sunsFlying high on rapture
Stronger free and brave
Nevermore encaptured
They've been brought back from the grave
With mankind resurrected
Forever to survive
Returns from Armageddon to the skiesHe is the painkiller
This is the painkiller
Wings of steel painkiller
Deadly wheels painkillerHe is the painkiller
This is the painkiller
He is the painkiller
This is the painkiller
Pain, pain, killer, killer
Pain, pain, killer, killerCan't stop the pain killer
