## **Painkiller**

## **Judas Priest**

Faster than a bullet
Terrifying scream
Enraged and full of anger
He's half man and half machine
Rides the metal monster
Breathing smoke and fire

Closing in with vengeance soaring highHe is the painkiller

This is the painkillerPlanets devastated

Mankind's on its knees

A saviour comes from out the skies

In answer to their pleas

Through boiling clouds of thunder

Blasting bolts of steel

Evils going under deadly wheelsHe is the painkiller

This is the painkillerFaster than a laser bullet

Louder than an atom bomb

Chromium plated boiling metal

Brighter than a thousand sunsFlying high on rapture

Stronger free and brave

Nevermore encaptured

They've been brought back from the grave

With mankind resurrected

Forever to survive

Returns from Armageddon to the skiesHe is the painkiller

This is the painkiller

Wings of steel painkiller

Deadly wheels painkillerHe is the painkiller

This is the painkiller

He is the painkiller

This is the painkiller

Pain, pain, killer, killer

Pain, pain, killer, killerCan't stop the pain killer
