Midnight Swim

Incubus

A midnight swim is what I'm needing
A careless will, a fast for feeding
I take to the deep where the lights been 'til now, asleep
Gotta break out and find what the day left behind
So into blue, begin an ark
The man was you, true and spark, oh
I take to the deep where the lights been 'til now, safe
Gotta break out and find what the day left behind

Na, oh, no, no, oh, oh, woah, no, no, woah
Whoa, no, no, woah, whoa ah
Water and salt, secrets like new
Arrive salt, a midnight swim
I take to the deep where the lights until now, asleep
Gotta break out and find what the day left behind
Na, oh, no, no, oh, oh, woah, no, no, woah
Whoa, no, no, woah, whoa ah
