City Rhythm

Shakatak

Chorus
City rhythm dancing in my head
we can feel the city rhythm moving overhead
up above us of sight and far away
in our dreams we fly away to followVerse 1
Do you hear what I hear?
There's a sound in the night
Do you see what I see?
As we turn down the light
Bridge 1
We don't need anybody here at all
just get in our way
my dreams I am the one you call
slowly we're dancing awayVerse 2
Do you hear what I hear?
Is it all in my mind.
Do you see what I see?
As we leave them behind
Bridge 2
Far below people dancing all around
I can hear you call
Just one voice rising up above the sound
And into my dream you can fly
