Reason to Stay

Brett Young

Yeah
Sunlight sneakin through the window
Slidin down your pillow
Shining like a halo baby
I like, wakin up before you
Just so I can watch you
Sleepin like an angel babyFind me a sweet spot before the alarm clock
Goes off and ruins everythingI got two hands and all they wanna do is hold ya
I got to eyes and their dyin to watch you wakin up
I got a kiss that'll get you thinkin its Saturday
I'll give you a reason
I'll give you a reason to stay
Coffee, you aint gonna need it
It only gets you leavin
Sooner than I wantcha to
Lets just stay under the covers
Tangled in each other
Straight all through the afternoonYou always say that I can't make you late
But I bet I can make that a lieI got two hands and all they wanna do is hold ya
I got to eyes and their dyin to watch you wakin up
I got a kiss that'll get you thinkin its Saturday
I'll give you a reason
I'll give you a reason to stayI really like the way your head fits on my shoulder
I hate the way the mornings always tryna mess this up
I know you've got a thousand things to do today
But I'll give you a reason
I'll give you a reason to stay
A reason to stayWhoa, You always say that I can't make you late
But I bet I can make that a lieI got two hands and all they wanna do is hold ya
I got to eyes and their dyin to watch you wakin up
I got a kiss that'll get you thinkin its Saturday
I'll give you a reason
I'll give you a reason to stayI really like the way your head fits on my shoulder
I hate the way the mornings always tryna mess this up
I know you've got a thousand things to do today
But I'll give you a reason
I'll give you a reason to stayOh, a reason to stay
Oh, oh stayA reason to stay
