

Baby When The Light (Fred Rister Remix)

David Guetta

In spite of all the consequence
In spite of all my pride
In spite of little things you said
That hide me deep inside I believe your love
I breathe your love
Like the air in the morning
I sleep your love
I salute your love
And I can't get away Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you The lights of all you see
You could have overcome all this
And I still can't get over you
Are you someone I'll forever miss
I believed your love I can feel your love
And that's all that I wanted
I sleep your love I salute your love
And I can't get away Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you And there's the dark, begins to rain
The sound is heavy on me Baby when the lights go out
I need you Under the spell I wanna be under your touch
Under the spell I wanna be under the rush Baby when the lights go out Baby when the lights go out Baby when
the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you Baby when the lights go out
I hear you calling (I hear you calling)
Baby when the lights go out
I need you
