Everything I Own

Boyzone

You sheltered me from harm
You kept me warm
Kept me warmYou gave my life to me
You set me free
Set me freeThe finest years I ever knew
Where are the years I had with you?I would give anything I own
Give up my life, my heart, my home
I would give everything I own
Just to have you back againYou taught me how to love
Body and soul
Body and soulYou never said too much but still you showed the way
And I knew
What you knewNobody else could ever know
The part of me that can't let goI would give anything I own
Give up my life, my heart, my home
I would give everything I own
Just to have you back againIs there someone you know?
You're loving them so
But taking them all for granted
You may lose them one day
Someone takes them away
And they don't hear the words you long to sayI would give anything I own
Give up my life, my heart, my home
I would give everything I own
Just to have you back againJust to touch you once again
