

# Absinthe Party At The Fly Honey Warehouse

## Minus The Bear

Hey, let's cross the sea  
And get some culture  
Red wine with every meal  
And absinthe after dinner  
We'd look good  
Side by side  
Walking back  
To the hotel  
We've got to get something  
To eat and to drink, yeah  
And find a place to stay  
That's not far off the main way  
We've got to plan our day  
Rodin' and the Orsay  
And find a way to cram it all in  
Before we drink hard again  
Let's get a bottle  
And drink, alone tonight  
Let's get a bottle  
And drink, alone tonight  
This light looks good on you  
Morning came early  
Sitting on a park bench  
That's older than my country  
Two star hotel  
  
Near St.Germaine  
Two star hotel  
Where the stars don't mean  
Where the stars don't mean anything  
We've got to get something  
To eat and to drink, yeah  
And find a place to stay  
That's not far off the main way  
Let's get a bottle  
We've got to get something  
To eat and to drink, yeah  
And find a place to stay  
That's not far off the main way

We've got to plan our day  
Rodin' and the Orsay  
And find a way to cram it all in  
Before we drink hard again  
Let's get a bottle  
And drink, alone tonight  
Let's get a bottle  
And drink, alone tonight  
Let's get a bottle  
And drink, alone tonight  
Let's get a bottle  
And drink, alone tonight
