

Wolf

Tyler, the Creator

Fuck you, fuck you, fuck you, fuck him
Fuck everything else I can see
I know, fuck you I hate you so fucking much
I know you think I'm crazy
Cause I think you're a fucking fag Sam the music sounds good man!
You've been practicing Thanks Sam, this is Wolf
He's new here Sup bWolf this is Sam
Sam and his band have been here at Flog Gnaw for a while
Sam's gonna show you around while I fill out these last minute field trip slips, alright?
Now you guys have fun So you guys are into jazz? Look, Wolf, Prairie Dog, Ronzell
Whatever the fuck your name is
We don't fuck with you or anybody else here, alright?
You stay the fuck out of our way and we'll stay out of yours
Capisce?
