

Verbal Abuse

Verbal Abuse

What do you expect I'm doing up here
What's with you what's the problem
You will always treat me obscene
Who cares if they make sense

You're shit
Verbal abuse

I get into trouble

Verbal abuse

Burn me, I'll do it again

Verbal abuse

It's totally your fault

Verbal abuse

I guess you want some more
You went and sat there and broke their bottles

You rip the seam off the bottom of their jackets

But you won't even know what are there

Verbal abuse

I get into trouble

Verbal abuse

Burn me, I'll do it again

Verbal abuse

It's totally your fault

Verbal abuse

I guess you want some more
