

# Detective 27

[G//Z/R](#)

His house he calls the batcave  
He's sworn to secrecy  
With comic books and videos  
He lives his fantasy  
Detective 27  
In darkest depth of night  
With full moon shining bright  
He takes the mantle of the bat  
Detective 27 at last  
Detective 27  
Shadow of the bat  
Known his mind  
And where it's at  
A normal life will never be  
For a lonely man inside a dream  
Fighting for the cause of justice  
Egendarly in his mind  
Protector of the innocent  
He's waiting for his time  
Detective 27
