## Whitesnake

I've been a gypsy for a thousand years  
A victim of circumstance  
I go wherever my destiny calls  
I'm caught in a game of chance I stand on the outside, looking at love  
I wanna get inside  
I stand on the outside, looking at love  
Just trying to get inside No fame or fortune, no luck of the draw  
When I dance with queen of hearts  
A jack of all trades but a loser in love  
It's tearing my soul apart Still I stand on the outside, looking at love  
I wanna get inside  
(I'm on the outside, looking in)  
I stand on the outside, looking at love  
Just trying to get inside  
(I'm on the outside, looking in) The jack of diamonds an' the ace of spades  
Try to use me, and to abuse me  
It seems the dealer, won't give me a chance  
I'm victim of circumstance So I stand on the outside, looking at love  
I wanna get inside  
(I'm on the outside, looking in)  
So I stand on the outside, looking at love  
Just trying to get inside  
(I'm on the outside, looking in) So I stand on the outside, looking at love  
I wanna get inside  
(I'm on the outside, looking in)  
So I stand on the outside, looking at love  
Just trying to get inside  
(I'm on the outside, looking in)
