Never Stop

Gonzales

This is my love song to you
Let every woman know I'm yours
So you can fall asleep each night, babe
And know I'm dreaming of you more
You're always hoping that we make it
You always want to keep my gaze
Well you're the only one I see
And that's the one thing that won't change
I'll never stop trying
I'll never stop watching as you leave
I'll never stop losing my breath
Every time I see you looking back at me
I'll never stop holding your hand
I'll never stop opening your door
I'll never stop choosing you babe
I'll never get used to you
And with this love song to you
It's not a momentary phase
You are my life, I don't deserve you
But you love me just the same
And as the mirror says we're older
I want to look the other way

You are my life, my love, my only
And that's the one thing that won't change
I'll never stop trying
I'll never stop watching as you leave
I'll never stop losing my breath
Every time I see you looking back at me
I'll never stop holding your hand
I'll never stop opening your door
I'll never stop choosing you babe
I'll never get used to you
You still get my heart racing (X4)
For you
I'll never stop trying
I'll never stop watching as you leave
I'll never stop losing my breath
Every time I see you looking back at me

I'll never stop holding your hand
I'll never stop opening your door
I'll never stop choosing you babe
I'll never get used to you
You still get my heart racing (X8)
