

I'm A Playa

Tech N9ne

Mother Fucker

I'm A Playa (echo I'm a playa)I'm a playa

I'm a playa

Oh, oh, oh, oh, I'm a playa (Yea Tecca Nina is a playa)I'm a playa

I'm a playa

Oh, oh, oh, oh, I'm a playa (Yea Tecca Nina is a playa)If you see me lookin' clean cut

Matchin' from head to toe dippin' with a mean strut

Throwin' and blowin' green stuff hella creamed up with a bling cup

Ain't no wicked we can kick it if you blue or beamed upIf you, see me step off in the clubber with some pros

With about 6 of 'em cut no longer waiting to be chose

And if you hear me tell my homies anything goes

With these chickens dippin' to Davy's right when the clubber closeIf you see me on the grind getting' mine

If you bust in the room and find me hittin' yours from behind

If you hear me bustin' rhymes rippin' each and every time

If I got it at capacity and you still got a lineIf I'm rollin' on dubs, if it's K-Town bud

If they showin' me love with a red rug at the club

If you see them hatas giving me mugs, ladies giving me hugs, no, it

ain't no rocket science it's because:I'm a playa

I'm a playa

Oh, oh, oh, oh, I'm a playa (Yea Tecca Nina is a playa)I'm a playa in every sense of the word ya heard

I'm getting' money from these dummies flip your chick so absurd

I'm a playa and I pop collars,
I'm a playa when I don't or when I do drop dollars, them rot weilders
She don't want no softy sayin' he do when
he don't

She don't want no perpetrating 9 to fiver trying to flaunt

She don't want no punk that can't get it krunk

No she don't, that's how it go, so my homie Kaliko tell'em what she want
She want a playa not thugs on dubs

We be rollin' them 22's and 3's poppin' ludes and V's

I'm in hot pursuit of a prostitute Kaliko knock boots gots lots to shoot,

and I'm pullin out the latex and given it to who's next

And fool'em pull a brunette wit unforgettable sex

She's oohin'-oohin'-ooh sweat and I ain't telling who's wet,

And I ain't getting loose yet, so who's next for group sex
I'm a playa

Oh, oh, oh, oh, I'm a playa (Yea Tecca Nina is a playa)
I'm a playa

Oh, oh, oh, oh, I'm a playa (Yea Tecca Nina is a playa)
Listen closely 'cause this is sumthin you might not know

Never ever tell ya love where else you get your love

Move in groups no one on one when you hit the club

And you should know this if you call yourself a wicked thug

If you creep to the movies throw away your ticket stub
If you sexin' learn this lesson when you wash off

Just use hot water don't put no soap on your wash cloth

That way when you get home no questions you won't leave her bent

Don't be a dope and use the soap cause it will leave a scent
Don't tell a number two that she's your one and only

Cause if she know it's way easy to go her own way

If you taking chickens to your secret home hey

Always go the back way to confuse'em just take the long way
To all the ladies if you playin' throw ya hands up

To all my fellas if you playin' throw ya grands up

This is 4-eva baby having clever thangs
I'm a playa

Mother fucker and I bet I'll never changel
I'm a playa
