Don't Cry Out Loud

Diana DeGarmo

Baby cried the day the circus came to town
'Cause she didn't want parades just passin' by her
So she painted on a smile and took up with some clown
While she danced without a net upon the wire
I know a lot about her 'cause, you see
Baby is an awful lot like meDon't cry out loud
Just keep it inside and learn how to hide your feelings

Fly high and proud

And if you should fall, remember you almost had it allBaby saw that when they pulled that big top down

They left behind her dreams among the litter

The different kind of love she thought she'd found

There was nothin' left but sawdust and some glitter

But baby can't be broken 'cause you see

She had the finest teacher that was me, I told herDon't cry out loud

Just keep it inside and learn how to hide your feelings

Fly high and proud

And if you should fall, remember you almost had it allDon't cry out loud Just keep it inside oh and learn how to hide your feelings

Fly high and proud

And if you should fall, remember you almost made itDon't cry out loud

Just keep it inside and learn how to hide your feelings

Fly high and proud

And if you should fall, remember you almost had it all
