

# Thanks for the Add

## Brad Sucks

Gimme the mic 'cause I'm taking my life  
In an unexpected new direction  
I could care less about your breasts  
Or that your daddy never gave you very much attention

I'm the same as I used to be  
But I'm doing my best to make a good impression  
I don't wanna go on, but I don't wanna be 'lone  
In this condition

(Ooh) Did you know that I'm your biggest fan?  
(Ooh) I just wanna thank you for the add  
(Ooh) Can I introduce you to my dad?  
(Ooh) Mmm, stop

'Cause I'm feeling like a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm twitching and I'm learning slowly

I'm turning my cell phone on  
In the middle of the interview  
I'm digging a shallow grave  
To eliminate my point of view

Gotta get suggestions I'll best to get your attention  
Tell you I'm cool  
I don't wanna go on, but I don't wanna be 'lone  
In this condition

(Ooh) Did you know that I'm your biggest fan?  
(Ooh) I just wanna thank you for the add  
(Ooh) Can I introduce you to my dad?  
(Ooh) Mmm, stop

'Cause I'm feeling like a dead man, or the way I seem

'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm a dead man, or the way I seem  
'Cause I'm living underground with a fake I.D.  
'Cause I'm twitching and I'm learning slowly
