Best Friends (Young Luxenberg Club Edit)

Sophia Grace

It's my number one girl
It's my number one girlWhere she go?
Where she at?
That's my girl, got my back
When I need her, always there
Hold me down, like no one else
When stupid boys come around
Me and my girls shut 'em down
Nobody can stop us now
Gonna take 'em, we run this town
Oh, no noIf you got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like thatYou're my best friend forever, oh
Cross my heart and hope to die, oh
You ain't got to worry never, oh
You're my best friend for life, ohI'm your number one girl, I'm your best friend
And I'll always be there, right 'til the end
Sophia Grace got your back, just know that
And that's the reason why I'm rappin' on this hot track
I'll take it to the top, I'm never gonna stop
Eleven years old, it's just how I rock
So if you are my best friend put your hands up, put your hands upIf you got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like that
You got a friend like that, like that
Like that, like thatYou're my best friend forever, oh
Cross my heart and hope to die, oh
You ain't got to worry never, oh
You're my best friend for life, ohAnd if the world's against us,
And if our back's against the world together
No one to defend us, no one to defend us

We're gon' make through singing like we do
We gon' laugh at them boys when they talk to us
But they can't get in, we get so annoyed
When they don't understand it means no, no, no, no
We don't want no boys 'round here
No, we don't want no boys 'round here
We don't want no boys 'round here
No boys, no noYou're my best friend forever
Cross my heart and hope to die
You ain't got to worry never,
You're my best friend for life
You're my best friend forever
Cross my heart and hope to die
You ain't got to worry never,
You're my best friend for lifeIt's my number one girl
It's my number one girl
It's my number one girl
It's my number one girl
