

# Instinct

## Decapitated

Hunting for some satisfaction?  
Follow the species hidden under royalty of our kind.  
Instinct and treacherous mother Evolution,  
left the beast standing at Your side.  
Congratulations! You are the highest of the links...  
But remember! You can't deny what You are. Couldn't it be different,  
cause we are the whores of the porn generation.  
Nude witches on the walls,  
lewd spell cast on media trash.  
Listen to their voices lilt.  
Can You hear them, calling for your animal?  
Inquisition of paraphiliac minds. Orgasmic value rules the aphrodisiac world.  
Fuck for money!  
Fuck for name!  
Fuck for money!  
Fuck for fame! Masked with exquisite lives.  
Avoid taboo world, taboo world.  
The forbidden world of primal pleasures.  
There is no freedom in our nature.  
Whenever You reach!  
Whatever You achieve!  
Whoever You are!  
There is no freedom in our nature!
