I Want You Back

Doro Pesch

I want you back again
uh I want you back
I can't take it
that you're with someone else
uh I want you here
I want you with me back againYour very reason for leaving
was that I let you go
but you know I regret it now
I wish I could make up for it
somehow
cos' we were meant for each other
so much love and pain we shared
I didn't mean to hurt you so badI want you back again
I want you back
I can't take it
when you're with someone else
I want you here
I want you with me back againI never understood
that we were meant to be
until I saw you disappear
I came to realize
that you were the one for me
and that without you
I would rather dieThe only reason I'm living
is just for loving you
I wish I could make it all come true
cos' you are the only one for me
I don't have much hope
when I don't feel your love
you're all that I've gotI want you back again
I want you back
I'm jealous
when you're with someone elseI want you here
I want you with me
and no one else
and no one else
and no one else
