

# I Want You Back

Doro Pesch

I want you back again  
uh I want you back  
I can't take it  
that you're with someone else  
uh I want you here  
I want you with me back again Your very reason for leaving  
was that I let you go  
but you know I regret it now  
I wish I could make up for it  
somehow  
cos' we were meant for each other  
so much love and pain we shared  
I didn't mean to hurt you so bad I want you back again  
I want you back  
I can't take it  
when you're with someone else  
I want you here  
I want you with me back again I never understood  
that we were meant to be  
until I saw you disappear  
I came to realize  
that you were the one for me  
and that without you  
I would rather die The only reason I'm living  
is just for loving you  
I wish I could make it all come true  
cos' you are the only one for me  
I don't have much hope  
when I don't feel your love  
you're all that I've got I want you back again  
I want you back  
I'm jealous  
when you're with someone else I want you here  
I want you with me  
and no one else  
and no one else  
and no one else
