Spread Thin

Mariachi El Bronx

I could mind your soul, I could scream out your name
Oh how I love you, and I put nothing above you.
I could slow you down, I could spin you around
Oh how I love you, if you could just let me in.Don't say that you're spread to thin.
And please don't tell me you're too pulled apart,
to use your heart.If I could only see, what it is you want from me.
I think I could love you, if you could just let me in.Don't say that you're spread to thin.
And please don't tell me you're too pulled apart,
to use your heart. X 3Oh how I could love you, if you could just let me in.
