Don't Forget Me

Harry Nilsson

In the wintertime keep your feet warm
But keep your clothes on and donâ€™t forget me
Keep the memories
But keep your powder dry too

In the summer by the poolside
While the fireflies are all around you
I'll miss you when Iâ€™m lonely
Iâ€™ll miss the alimony too

Donâ€™t forget me, donâ€™t forget me
Make it easy, only just for a little while
You know I'll think about you
Let me know you'll think about me too

And when weâ€™re older and full of cancer
It doesnâ€™t matter now, come on get happy
â€˜Cause nothing lasts forever
But I will always love you

Donâ€™t forget me, please donâ€™t forget me
Make it easy, only just for a little while
You know I'll think about you
Let me know you'll think about me too
