

# Glad to Be Unhappy

## Eric Dolphy

Look at yourself, if you had a sense of humor  
You would laugh to beat the band  
An' look at yourself, do you still believe the rumor  
That romance is simply grand? Since, you took it right on the chin  
You have lost that bright toothpaste grin  
My mental state is all a jumble, I sit around and sadly mumble  
Fools rush in, so here I am, very glad to be unhappy  
I can't win, but here I am more than glad to be unhappy  
Unrequited love's a bore and I've got it pretty bad  
But for someone you adore it's a pleasure to be sad  
Like a straying baby lamb with no mammy and no pappy  
I'm so unhappy but oh, so glad
