

Redline

Kirill Nikolaev & Denis Neeve

Way past overdrive
Full on redline
No easing up
Your life's flying by Pushing and passing yourself
You've just passed
First over the finish
You still come in last Face turning to stone
Your eyes owl wide
No easing up
More speed is your high Look and feel twice your age
Grinding in your silent rage
Dying at twice the speed
Yet not enough to quench your need Redline, foot to the floor
Redline, slow paced is a bore
Redline, yourself you've just passed
Redline, you still come in last Redline, foot to the floor
Redline, slow paced is a bore
Redline, yourself you've just passed
Redline, you still come in last
