

# Kiss Me

Stephen Duffy

In my young life I have received  
Callers as though they were Christmas Eve  
Disappointed and I don't know why?  
She gave me laughter and hope  
And a sock in the eye.

In my young life and I know something now.  
I've never tried to create a wow  
Wows are few frustration more common  
Now I can feel it in my soul  
That's why I gave the come on...

Kiss me with your mouth  
Your love is better than wine  
But wine is all I have  
Will your love ever be mine?

Faces fall before my feet  
Like blood onto a clean white sheet  
When I grow old I won't forget  
To innocence my only debt.

Wow I feel so fresh today  
Barefoot in the snow to make love in the hay  
The stars are bright in the abyss  
Now I can feel you in my arms  
I explode inside your kiss.

Kiss me with your mouth  
Your love is better than wine  
But wine is all I have  
Will your love ever be mine?
