Ancients

Gary Numan

All I know is you're not with me, like me
All I know, you're not with meSome can shine, some can fly
Some are glorious, some are ancient
Some are wise, some are strong
Some are everything you could dream ofSome are clouds, some are rain
Float like angel wings on an ocean
Some can sing songs of gods
Words so beautiful, they fall like raindrops
Fall like raindrops, fall like raindropsBut none are like me
All I know is you're not with me, like me
All I know is you're not with me, like me
All I know is you're not with me, like me
All I know is you're not with meSome will cry, cry for you
Take your pain away when you're sleeping
Some will die in your name
we their soul to you for safe keepingAll I know is you're not with me, like me

Give their soul to you for safe keepingAll I know is you're not with me, like me All I know

All I know is that you're not with me

Like me, like me, like me

All I know is that you're not with meYou're not with me

You're not with me You're not with me You're not with me
