Sonny Boy

Jimmy Forrest

Climb up on my knee Sonny Boy
Though you're only three Sonny Boy
You've no way of knowing
There's no way of showing
What you mean to me Sonny BoyWhen there are gray skies
I don't mind the gray skies
You make them blue Sonny Boy
Friends may forsake me
Let them all forsake me
I still have you Sonny BoyYou're sent from heaven
And I know your worth
You made a heaven
For me here on earthWhen I'm old and gray dear
Promise you won't stray dear
For I love you so Sonny BoyWhen there are gray skies
I don't mind gray skies
You make them blue Sonny Boy
Friends may forsake me
Let them all forsake me
I still have you Sonny BoyYou're sent from heaven
And I know your worth
You've made a heaven
For me here on earthAnd the angels grew lonely
Took you because they were lonely
I'm lonely too, Sonny Boy
