

See Me Through

Rascal Flatts

Ah, yeah
Ah, yeah, yeah Before we met I was free
I never had to worry about anyone but me
Now that boy is gone and in his place
Is a man who needs to hold you night and day
So if I stumble, if I fall
Forgive me, Im just learning as I go along See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love, I never want to lose
See me through, oh yeah I know sometimes, I let you down
But Im still getting used to having you around
And if I ever make you cry
Theres nothing, I wont do to make things right
Im not perfect and thats for sure
A little time is all Im asking for See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love, I never want to lose
See me through, oh yeah oh See me through this mask I wear
Well, Im almost there, you know I care
I am the man you always thought you knew See me through, see me through
This aching heart has come so far
To be with you, see me through
With angel eyes, just look inside
At all this love, I never want to lose
See me through, yeah See me through, oh, see me through
Yeah, yeah
Ooo, ooo, ooo, see me through
Oh, were almost there, cant you see that
Im almost, girl Im almost there
This mask I wear, oh yeah Girl, Im almost there, Im almost there
See me, see me through this mask I wear
Im almost there
Ooo, ooo, ooo, girl
See me through, yeah
