

# Gravedigger (feat. Angelenah)

## P.O.S

I can not see through no dumb shit  
I will not give out no pass  
Waste ass mother fuckers breathing in my air  
And I know even tho I don't wanna that they'll prolly outlast  
So I'm hanging out the window  
Got my feet up on the dash  
Face fulla sunshine Tryna unwind  
Tryna get mine  
Tryna use a hundred percent  
Of this little flash that I have  
I could ease up on my tempo  
(slow down slow down slow down)  
I should prolly save a little cash  
(slow down slow down slow down) I could do it how the text book say  
I could do it how they wanna chase fame  
I can steady as we blaze  
They can do the math an laugh  
(slow down)  
What you want  
Beating back those  
Playing on my phone  
What you want  
We can keep it close  
We can own the road  
What you what  
I can see all the way from here  
It's the same as here no matter how far I go
