

# fluorescent

## Front BC

I'm not sayin' nothin' you don't already know  
You know you're too delicious, more than I can handle  
Lyin' around late at night, so luscious that I ache  
Baby, why'd you fall asleep? I'm still awake  
I'm in love, in love with a dream  
My Valentine's gone and broke my wings  
I'll see in time, I feel a bit weak  
You better be right 'cause you promised me  
I must have lost my mind  
I can't believe you're still inside my bed  
I nearly walked away  
I didn't think we'd still be rollin'  
Dressin' up in your love is a dangerous thing  
My sexy super lover's got a real bad sting  
Baby, didn't want no trouble, this is more than I can afford  
I can't help myself, keep comin' back for more  
For more, can't help comin' back for more  
I'm in love, in love with a dream  
My Valentine's gone and broke my wings  
I'll see in time, I feel a bit weak  
You better be right 'cause you promised me  
I must have lost my mind  
I can't believe you're still inside my bed  
I nearly walked away  
I didn't think we'd still be rollin'  
And as I watch you sleep in the dim light  
I close my eyes and pray  
Another fluorescent night  
Yeah, you and I  
Late night lovers kickin' in the covers  
Don't need no one but you and I  
'Cause every day's a weekend, forget what we were thinkin'  
Another sweet fluorescent night  
I must have lost my mind  
I can't believe you're still inside my bed  
I nearly walked away  
I didn't think we'd still be rollin'  
And as I watch you sleep in the dim light  
I close my eyes and pray

Another fluorescent night  
Yeah, you and I
