Happy Birthday to you.
Happy Birthday to you.
presents and gifts and cards through your door,
another year older than you were before,
Happy Birthday to you
Happy Birthday to you
it's your special day,
so here's what we'll do, sing
Happy Birthday!
Happy Birthday!
Happy Birthday To you.

Happy Birthday to you.
presents and gifts and cards through your door,
another year older than you were before,
Happy Birthday to you
Happy Birthday to you
it's your special day,
so here's what we'll do, sing
Happy Birthday!
Happy Birthday!
Happy Birthday to you, to you!
Happy Birthday

Presents and gifts and cards through your door, another year older than you were before.
