

# You Cant Get Enough

## Emigrate

Separate from your affliction  
Feel alone when I look in your eyes  
I'm no longer your addiction  
A distant void reflecting in your lies

Don't say a word  
Don't cry

You can't get enough  
Under your skin

You can't get enough  
Drawing your sin

Your lower power is now calling

Spiders crawling through your open pores

In your presence feel you're falling

I say enough but all you want is more

Don't say a word

Don't lie

You can't get enough

Under your skin

You can't get enough

Drawing your sin
