

# My Favorite

**Jason Michael Carroll**

Baby, just lay there, don't you move.  
And I will lay right here, watchin' you.  
I wonder if you know how much I love just  
Having you in my life.

'Cause you're my favorite thing to hold,  
When the world is running 'round.  
You're my favorite place to hide,  
When the rain is pourin' down.  
And I wish that I could find the perfect verse,  
The perfect rhyme, but I guess all I'm sayin',  
is anyway you say it, baby you're my favorite.

Just a minute more, that's all I asked.  
I want to picture you, looking just like that.  
T-Shirt and hair down, no makeup on.  
Girl I'm constantly amazed,  
How beautiful you are

'Cause you're my favorite thing to hold,  
When the world is running 'round.  
You're my favorite place to hide,  
When the rain is pourin' down.  
And I wish that I could find the perfect verse,  
The perfect rhyme, but I guess all I'm sayin',  
is anyway you say it, baby you're my favorite.

Oh baby, there ain't no doubt about it

'Cause you're my favorite thing to hold,  
When the world is running 'round.  
You're my favorite place to hide,  
When the rain is pourin' down.  
And I wish that I could find the perfect verse,  
The perfect rhyme, but I guess all I'm really sayin',  
Is I love you so much, baby  
And anyway you say it, baby you're my favorite.
