

# Sweat

Advisory - the following lyrics contain explicit language:

Sweat, sweat, sweat Born for trouble, poised for action  
Ready to spring at a moments notice  
Nerves like a trigger, waiting to be pulled  
Covered with sweat, it ain't nice Sweat Help me please Im burning up  
I got this fire in my heart  
Wont let me sleep, cant concentrate  
Even when its cold Im dripping sweat it ain't nice Sweat Rivers running down my back  
Makes me slippery, like a fish  
If I dont stop, I might drown  
Falling down, down, down, down, not dead yet  
Covered with sweat The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction theres no heat  
Without heat there can't be fire  
Without fire theres no desire  
Youre making me hot, hot, hot, hot, hot, hot, yo Sweat, sweat Take my baby, Saturday night  
Its hundred and ten, its alright  
Close the door to my little room  
Starting to sweat, fun starts soon Sweat Principal caught me after school  
He gave me hell, he called me a fool  
He pointed his finger at my face  
Started to sweat all over the place  
Flowed like rivers, onto the floor  
I can take it give me some more Sweat War breaks out throughout the land  
Dodging bullets in the sand  
Enemys getting much to close  
Sun beats down on the back of my neck  
Fingers twitchin, covered with sweat

Covered with sweat  
The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction theres no heat  
Without heat there can't be no fire  
Without fire theres no desire  
Youre making me hot, hot, hot, hot, hot, hot, yo  
Sweat, sweat, sweat, sweat  
The cool boys bit the dust  
They couldn't take the pressure  
The cool girls got knocked up  
They only wanted to have fun, where did they go  
They fell in love and suffered, where did they go  
They picked up guns and hammers, where did they go  
Without friction theres no heat  
Without heat there can't be fire  
Without fire theres no desire  
Youre making me hot, hot, hot, hot, hot, hot, yo  
Sweat, sweat, sweat  
Hot, hot, hot  
You're making me hot, hot, hot, oh  
You're making me hot, hot, hot, oh  
You're making me hot, hot, hot, oh  
Sweat
