

Hey

Hanson

And I say hey, when I'm makin' my movie, baby
You keep sayin' all my, you keep breaking all my
Hey, you like boots and perfume
Hey, your red pumps and your Cadillac blues
Hey, you want that fine white wine, Mai Tai What you want from me, 'cause you're on my mind
Don't you care no more that you're losing yourself
Don't you want some truth, 'cause I'll give you mine Hey, when I'm makin' my movie, baby
You keep sayin' all my lines
Hey, after sunset drive cruising, baby
You're just yesterdays price Hey, do, do, do, do if you want trips on a white yacht for two
Hey, you want Beverly Heights, bright lights, late nights What you want from me, 'cause your on my mind
Don't you care no more that you're losing yourself
