

Teardrops

Womack & Womack

Whenever I hear goodbyes remind me baby of you
I break down and cry next time I'll be true yea
fever for lost romance remind me baby of you
I took a crazy chance the next time I'll be true
I'll be true I'll be true

Footsteps on the dancefloor remind me baby of you
teardrops in my eyes next time I'll be true yea
whispers in the powder room she cries on every tone
every tune every tune

And the music don't feel like it did when I felt it with you
nothing that I do or feel ever feels like I felt it with you

When I'm dancing round remind me baby of you
I really let you down next time I'll be true yea
I took a crazy chance she cries on every tune
every tune every tune

Footsteps on the dancefloor remind me baby of you
teardrops in my eyes next time I'll be true yea
whispers in the powder room she cries on every tune
every tune every tune

And the music don't feel like it did when I felt it with you
nothing that I do or feel ever feels like I felt it with you

Hurting deep inside she cries on every tune
I break down and cry she cries on every tune
every tune every tune

Footsteps on the dancefloor remind me baby of you
teardrops in my eyes next time I'll be true yea
whispers in the powder room she cries on every tune
every tune every tune

And the music don't feel like it did when I felt it with you
nothing that I do or feel ever feels like I felt it with you
and the music don't feel like it did when I felt it with you
nothing that I do or feel ever feels like I felt it with you
