Lay It On Me

Kelly Rowland

Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, put it down on me, oh
Put your hands on my body
Lay it on me, Lay it on me, now
Lay it on me...
[Kelly Rowland]What time do you get out? I wanna see you tonight
What time would you be? I wanna hold you tonight
I wanna just kiss you now, I wanna just touch you now
I wanna just give you all my love tonight
And tell 'em you'll be here in the morning, oh no
And tell you little friends that you're rolling solo
Tonight boy make my body go...oh!
Lay it on me...
[Chorus]Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, put it down on me, oh
Put your hands on my body
Lay it on me, Lay it on me, now
Lay it on me...
[Kelly Rowland]I don't wanna end like wait up,
Cause i'mma enjoy the ride
And I know when you show up, imma be satisfied
So come, come lay me down
One more time around
Boy just get me all that love tonight
And tell 'em you'll be here in the morning, oh no
And tell you little friends that you're rolling solo
Tonight boy make my body go...oh!

Lay it on me...

[Chorus]Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, put it down on me, oh
Put your hands on my body
Lay it on me, Lay it on me, now
Lay it on me...
[Bridge]Lay it down, down, down, down
Lay it down, down, down, down
Lay it down, down, down, down...
[Big Sean]The king of the californian king, you gotta call me sir
Watch me lay it down, and I ain't even tired
Put it working and I ain't even hired
Hidden high low, neighbours thought you joined the choir
You drop it, and ride with it, cuz she know that i'm liking it
Turn my lap into a show, for an aspen o'day just writing it
Tryin' clone that, uh!, just have a menage with it
Just a red light special, but I swear no stopping this
She ain't let go, she let go, so shorty bring it back
Call my d*ck curiosity 'cause it killed the cat
And satisfaction brought it back
Girl's your world, i'm just chillin' on the nap, saying
[Chorus]Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, baby
Lay it on me, oh
Lay it on me
Lay it on me, put it down on me, oh
Put your hands on my body
Lay it on me, Lay it on me, now
Lay it on me...
