

On a Night Like This

[Dave Barnes](#)

On a night like this, I could fall in love
I could fall in love with you
In this dark so dense, we talk so soft
The way young lovers do
The day's last sight turns to cool night's breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is the Judas kiss
On a night like this, I could fall in love
I could fall in love with you
