

I Am Music

Timbaland & Magoo

I'll be with you on your way to work
When your car turns on, you'll probably hear me
You can't run your car without me
(Without me)
Want a deal, costs you a hundred G's
I am, I am

I am music
I'm melodies and harmonies
Stereo and mono
On the radio, the radio

I said, ?I am music?
I'm simply dope beats
Intros and drum rolls
On the radio, the radio

I'll meet you at a summer jam
I'm with you P.M. or A.M.
I'll work out with you when you're at the gym
And when you clean the house, I'll be in the den
'Cause I am

I am music
Melodies, harmonies, mono, stereo, ohh
I am music
Simply dope beats, tempos, drum rolls, ohh

You may find me at a shopping mall
I'm not buying but I'll be for sale
I'll be a feeling when your talent shows
Might even hear me at a restaurant
'Cause I am

I am music
Melodies, harmonies, mono, stereo, ohh
I am music
Simply dope beats, tempos, drum rolls, ohh

I am music

Melodies, harmonies, mono, stereo, ohh
I am music
Simply dope beats, tempos, drum rolls, ohh
