

It's Going to Take Some Time

Carole King

It's going to take some time this time
To get myself in shape
And I really fell out of line this time
I really missed the gateThe birds on the telephone line
(Next time)
Are cryin' out to me
(Next time)
And I won't be so blind next time
And I'll find some harmonyBut it's going to take some time this time
And I can't make demands
But, like the young trees in the winter time
I'll learn how to bendAfter all the tears we've spent, how could we make amends?
So, it's one more round for experience
And I'm on the road again
And it's going to take some time, this timeIt's going to take some time this time
No matter what I've planned
And, like the young trees in the winter time
I'll learn how to bendAfter all the tears we've spent, how could we make amends?
So, it's one more round for experience
And I'm on the road again
And it's going to take some time, this time
