We Hurt Too

Funkadelic

La da da da-da
Ah, la da da, la da da da-da
Just because it's said
That a man is not supposed to cry
(Supposed to cry)Just because we conceal what we feel
When we hurt deep down inside
Ohh, why don't they realize
That it's just a disguise
To hide the way that we feelWe hurt too, this is true
Why don't they see through this
Pretending happiness
There are [unverified]And when they say goodbye
We will drown only inside
By those same little tears
Ohh, they know this is trueThat he made me and he made you
This is true, we hurt too, we hurt too
There is no difference
We're just like youIt's the same laughing and crying
Loving and dying
So remember every day
As you pass along life's wayWhat I said to you
That because you see no tears
It's not happiness I feel
When you say we're throughOhh, that you find
[Unverified]
I feel [unverified]
[Unverified]This is true
We hurt too
This is true
