

# Go Home Girl

Arthur Alexander

Well, me and frank were the best of friends  
And our friendship will never end  
But it would hurt him so for him to know  
That Im in love with his girlfriend

Now, the love of a girl and the love of a friend  
Are two things you cant compare  
Though my heart will ache I will let it break  
cause I know that it just aint fair  
So go on home girl, lets call it a night  
You better go home girl, this just aint right

But before you go I want you to know  
That I love you, yes I do  
And though it breaks my heart for us to part  
Still I know frank loves you too

Well, you say that a we can make him see  
We have a love thats really real  
But I think that he is just like me  
And I dont know just how hed feel

Darling, people know it would hurt him so  
If you told him that it must end  
And I could never hold the love I stole  
From a man I call my best friend

Go on home girl, you better go home, girl  
Go on home, you better move on

Me and frank been friends for so long  
And our friendship is really strong  
He gives me his car to go for a ride  
Never knows how long Ill be gone

Well, Im trying to forget all the things that weve done  
While frank is just a-waiting back home  
Girl you cant go ride with me anymore  
Thats the way its got to be from now on

Go on home!

Uhn, hun. better go home, girl

Uhn, hun. now you better move on, girl

Uhn, hun. better go home, girl

Uhn, hun. you better move on, girl
