

# 4 tha Ghetto

JRDN

no disrespect Deborah Ann  
you raised your boy well  
just gotta give this one up to the hood though you lift me up  
when i'm feeling down  
we had it bad from the start but i fell in love with you somehow  
i'll never forget all the times we had  
without you i wouldn't be the man that i am you kept me safe in a place with no hope and shattered dreams  
i couldn't see but you gave me a chance to believe  
and none can take that from me you lift me up  
and i'm ready now  
time to hit the road your boy is gonna make you proud I'll do this one for the ghetto  
one for the ghetto  
no i'll never let go gotta let em know  
your the one that raised me  
i'm so glad you made me  
made me who i am  
so i'll do this one for the ghetto  
one for the ghetto  
no i'll never let go gotta let em know  
everywhere i go i'm making sure they know  
i do it all for the ghettos square town, north end, hali hoods, north preston, the connections  
and all my ghettos round the world now rise and shine  
let's get on our way  
i open my eyes take a breathe and give thanks to a new day  
my will is strong and i got more then just a lil faith  
and with every lesson that i've learend  
there's nothing i can't face  
you kept me safe in a place with no hope and shattered dreams  
i couldn't see but you gave me a chance to believe  
and none can take that from me you lift me up  
and that will never change  
you were there for me  
and thins is something that i have to say I'll do this one for the ghetto  
one for the ghetto  
no i'll never let go gotta let em know  
your the one that raised me  
i'm so glad you made me  
made me who i am  
so i'll do this one for the ghetto

one for the ghetto  
no i'll never let go gotta let em know  
everywhere i go i'm making sure they know  
i do it all for the ghettomy family my streets yea that's where i come from  
i'm doing for them cause they made me the one  
i'll chase all our dreams i won't stop til it's done  
i got you don't worry i'm doing this oneI'll do this one for the ghetto

one for the ghetto  
no i'll never let go gotta let em know  
your the one that raised me  
i'm so glad you made me  
made me who i am  
so i'll do this one for the ghetto  
one for the ghetto  
no i'll never let go gotta let em know  
everywhere i go i'm making sure they know  
i do it all for the ghetto
