So fast he hardly moves  
Kerb Crawler  
He really approves of  
Your high heels clicking  
Like a pair of cloven hoovesExcuse Me Lady  
Are you looking for a lift?  
I ain't going nowhere special  
I'm just out on the drift  
I'll take you anywhere you want

With my foot right to the floorFandago insect in the skyscraper shade
