Come Along (Remastered) [Remastered]

Titiyo

Play with it while you have hands
Dust settles, cities turn to sand
Trespassing this is their land
Time flies, make a statement, take a standCome along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free, yeahCome along now, come along with me
And I'll ease your pain
Come along, come along with me
And let's seize this day
Come along, come along with meStay out, stay clear but stay close
Friends, foes, God only knows
Let's be the thorn on the rose
Time flies, make a statement, strike a poseJust come along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free, yeahCome along now, come along with me
And I'll ease your pain
Come along, come along with me
And let's seize this day
Oh, come along with meTime flies, make a statement, take a stand
Time flies, make a statement, take a stand
Time flies, make a statement, take a stand
Time flies, take your chanceCome along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free, yeahCome along now, come along with me
And I'll ease your pain
Come along, come along with me
And let's seize this day
Oh, come along with me
Oh, come along with me
