Ruler Mr. H.

Grave Digger

You're living in a world of sin
Eyes like a blood red sky
You know how you feel
The speed of light trapped in your eyesThe world around you
It's not thePromised land
"H" comes to rule the world
"H" comes to rule the worldRuler Mr.H.
Ruler Mr.H.
Ruler Mr.H.
Ruler Mr.H.
RulerYou look into the past
Lost dreams of broken hearts
You fool, it's up to you
Change your way to a better life
